Registering a notice

6(1) In this section "land registration office" means a registry office established under the *Registry Act* or a land titles office established under the *Land Titles Act*.

6(5) A person to whom a certificate is provided under subsection (4) may register the certificate in the appropriate land registration office, and, on registration of the certificate, the appropriate registrar of the land registration office shall cancel registration of the notice in respect of which the certificate was provided.

Offence and penalty for failure to comply with a notice

7(1) A person who fails to comply with the terms of a notice given under section 3 commits an offence that is, subject to subsections (2) and (3), punishable under Part 2 of the *Provincial Offences Procedure Act* as a category F offence.

7(2) Despite subsection 56(6) of the *Provincial Offences Procedure Act*, if a person who is leasing a dwelling or dwelling unit to another person commits an offence under subsection (1) in relation to a notice given under section 3 with respect to the dwelling or dwelling unit, the minimum fine that may be imposed by a judge under that Act in respect of the offence is \$1,000.

7(3) If an offence under subsection (1) continues for more than one day,

(a) if the offence was committed by a person in relation to a notice given under section 3 with respect to a dwelling or dwelling unit the person is leasing to another person,

7(4) The conviction of a person under this section does not operate as a bar to further prosecution for the continued neglect or failure on the person's part to comply with the provisions of this Part.

Power to clean, repair or demolish

8(1) If an owner or occupier does not comply with a final and binding notice given under section 3 within the time set out in the notice, St. Stephen may, rather than commencing proceedings in respect of the violation or in addition to doing so,

(a) cause the premises of that owner or occupier to be cleaned up or repaired if the notice arises out of a condition contrary to subsection 2(1),

(b) cause the building or other structure of that owner or occupier to be repaired or demolished if the notice arises out of a condition contrary to subsection 2(2), or

(c) cause the building or other structure of that owner or occupier to be demolished if the notice arises out of a condition contrary to subsection 2(3).

8(2) Subsection (1) does not apply in respect of a notice prepared and signed under subsection 10(1).

8(3) The costs of carrying out any work set out in subsection (1), including any associated charge or fee, is chargeable to the owner or occupier and becomes a debt due to St. Stephen.

8(4) For the purpose of subsection (1), the by-law enforcement officer who gave the notice in respect of the premises, building or other structure and the authorized employees of St. Stephen or other persons acting on behalf of St. Stephen may, at all reasonable times, enter the premises, building or other structure in order to clean up or repair the premises or repair or demolish the building or other structure, as the case may be.

8(5) St. Stephen or a person acting on its behalf is not liable to compensate an owner or occupier or any other person by reason of anything done by or on behalf of St. Stephen in the reasonable exercise of its powers under this section.

Report required before demolition

9 St. Stephen shall not proceed to act under paragraph 8(1)(c) unless it has a report from an architect, an engineer, a building inspector or the fire marshal that the building or structure is dilapidated or structurally unsound and that report is proof in the absence of evidence to the contrary that the building or structure is dilapidated or structurally unsound.

Emergency

10(1) If, on inspection of a property under section 144 of the *Local Governance Act*, the by-law enforcement officer referred to in that section is satisfied that there is nonconformity with the provisions of this Part to such an extent as to pose an emergency, the by-law enforcement officer may prepare and sign a notice referred to in section 3 requiring the owner or occupier of the premises, building or other structure in respect of which the notice is prepared to immediately carry out work to terminate the danger.

10(2) After having prepared and signed a notice referred to in subsection (1), the by-law enforcement officer may, either before or after the notice is given, take any measures necessary to terminate the danger giving rise to the emergency, and, for this purpose, the by-law enforcement officer who prepared the notice and the authorized employees of St. Stephen or other persons acting on behalf of St. Stephen may, at any

time, enter the premises, building or other structure in respect of which the notice was prepared.

10(3) St. Stephen or a person acting on its behalf is not liable to compensate an owner or occupier or any other person by reason of anything done by or on behalf of St. Stephen in the reasonable exercise of its powers under this section.

10(4) The cost of taking measures under subsection (2), including any associated charge or fee, is chargeable to the owner or occupier and becomes a debt due to St. Stephen.

10(5) If the notice referred to in subsection (1) was not given before measures were taken under subsection (2) to terminate the danger, the by-law enforcement officer shall give a copy of the notice as soon as the circumstances permit after the measures have been taken, and the copy of the notice shall have attached to it a statement by the by-law enforcement officer describing the measures taken by St. Stephen and providing details of the amount spent in taking the measures.

10(6) If the notice referred to in subsection (1) was given before the measures were taken under subsection (2), the by-law enforcement officer shall give a copy of the statement referred to in subsection (5) in the same manner as a notice is given under subsection 3(3) as soon as the circumstances permit after the measures have been taken.

Offence and penalty for obstruction

11(1) No person shall refuse entry to or obstruct or interfere with a by-law enforcement officer, an authorized employee or other person referred to in subsection 8(4) or 10(2) who under the authority of that subsection is entering or attempting to enter premises or a building or other structure.

11(2) A person who violates or fails to comply with subsection (1) commits an offence that is, subject to subsections (3) and (4), punishable under Part 2 of the *Provincial Offences Procedure Act* as a category F offence.

(b) in any other case,

(i) the minimum fine that may be imposed is the minimum fine set by the *Provincial Offences Procedure Act* for a category F offence multiplied by the number of days during which the offence continues, and

(ii) the maximum fine that may be imposed is the maximum fine set by the *Provincial Offences Procedure Act* for a category F offence multiplied by the number of days during which the offence continues.

Recovery of St. Stephen's costs – filing of certificate

12(1) If the cost of carrying out work or the cost of taking measures becomes a debt due to St. Stephen under subsection 8(3) or 10(4), an officer of St. Stephen may issue a certificate stating the amount of the debt due and the name of the owner or occupier from whom the debt is due.

12(2) A certificate issued under subsection (1) may be filed in The Court of King's Bench of New Brunswick and the filed certificate shall be entered and recorded in the Court and may then be enforced as a judgment obtained in the Court by St. Stephen against the person named in the certificate for a debt in the amount specified in the certificate.

12(3) All reasonable costs and charges associated with filing, entering and recording a certificate under subsection (2) may be recovered as if the amount had been included in the certificate.

Lien

13(1) Despite subsection 72(2) of the *Workers' Compensation Act*, the cost of carrying out work under subsection 8(1) or of taking measures under subsection 10(2), as the case may be, and all reasonable costs and charges associated with filing, entering and recording a certificate under section 12 shall, until they are paid, form a lien on the real property in respect of which the work is carried out or the measures are taken in priority to every claim, privilege, lien or other encumbrance, whenever created, subject only to taxes levied under the *Real Property Tax Act* and to a special lien under subsection 117(9) of the *Local Governance Act*.

13(2) The lien in subsection (1)

(a) attaches when the work under subsection 8(1) begins or the measures under subsection 10(2) begin, as the case may be, and does not require registering or filing any document or giving notice to any person to create or preserve it, and

(b) is not defeated by a change in the ownership of the real property.

13(3) A mortgagee, judgment creditor or other person having a claim, privilege, lien or other encumbrance on or against the real property to which a lien under subsection (1) is attached

(a) may pay the amount of the lien,

(b) may add the amount to the person's mortgage, judgment or other security, and

(c) has the same rights and remedies for the amount that are contained in the person's security.

Debts paid by the Minister of Finance

14(1) If a debt due to St. Stephen under subsection 8(3) or 10(4) remains unpaid in whole or in part and the Minister of Finance is of the opinion that St. Stephen has made reasonable efforts to recover the unpaid amount, the Minister of Finance shall, if St. Stephen requests the Minister to do so before December 31 in any year, pay to St. Stephen the following amounts in the following year:

(a) the unpaid amount of the debt; and

(b) interest on the unpaid amount of the debt

(i) calculated at the same rate that is applied in determining the amount of a penalty under subsection 10(3) of the *Real Property Tax Act*, and

(ii) accruing from the day St. Stephen completes the work or measures in respect of which the debt arose to the day St. Stephen makes a request under this subsection for payment in respect of the debt.

14(2) St. Stephen shall make a request under subsection (1) by submitting to the Minister of Finance a statement of the expenditures of St. Stephen that gave rise to the debt.

14(3) Subject to subsection (4), if a debt due to St. Stephen under subsection 8(3) or 10(4) in relation to work carried out or measures taken with respect to premises or a building or other structure remains unpaid, in whole or in part, by the person liable to pay the debt and the Minister of Finance has made a payment under subsection (1) in respect of the debt,

(a) any part of the debt that remains unpaid by the person liable to pay the debt becomes a debt due to the Minister of Finance, and

(b) the Minister of Finance shall collect the following amounts from the owner of the premises, building or other structure in the same manner that taxes on real property are collected under the *Real Property Tax Act*:

- (i) any part of the debt under subsection 8(3) or 10(4) that remains unpaid by the person liable to pay the debt; and
- (ii) interest on the unpaid part of the debt
 - (A) calculated at the same rate as is applied in determining the amount of a penalty under subsection 10(3) of the *Real Property Tax Act*, and
 - (B) accruing from the day St. Stephen completes the work or measures in respect of which the debt arose to the day St. Stephen makes a request under subsection (1) for payment in respect of the debt.

14(4) Subject to subsections (5) and (6), for the purposes of subsection (3), the following provisions of the *Real Property Tax Act* apply with the necessary modifications:

- (a) section 7,
- (b) section 10, except for subsection (2),
- (c) section 11,
- (d) section 12,
- (e) sections 13 to 16, and
- (f) sections 19 to 25.

14(5) If the amounts referred to in paragraph (3)(b) remain unpaid, those amounts and any penalty added to them under subsection (4) constitute a lien on the real property in respect of which the work was carried out or the measures were taken, and the lien ranks equally with a lien under subsection 11(1) of the *Real Property Tax Act*.

14(6) If the real property is sold under any order of foreclosure, seizure and sale, execution or other legal process or a power of sale under a debenture or mortgage or under subsection 44(1) of the *Property Act*, the amount of a lien referred to in subsection (5) constitutes a charge on the proceeds that ranks equally with a charge under subsection 11(1) of the *Real Property Tax Act*.

Repeal

15(1) The Town of St. Stephen's Dangerous or Unsightly Premises By-Law S-12, and any amendments thereto, are hereby repealed.

15(2) The repeal of said by-law shall not affect any penalty, forfeiture or liability incurred before such appeal or any proceeding for enforcing the same completed or pending at the time of repeal; nor shall it repeal or disturb, invalidate, or prejudicially affect any matter or thing whatsoever completed, existing, or pending, at the time of repeal.
